gov.sg

DID YOU KNOW?

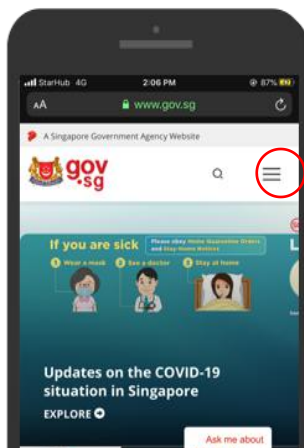

You can subscribe to the government WhatsApp service through “Gov.sg” on your mobile devices to receive the latest government news on-the-go!

STEP 1

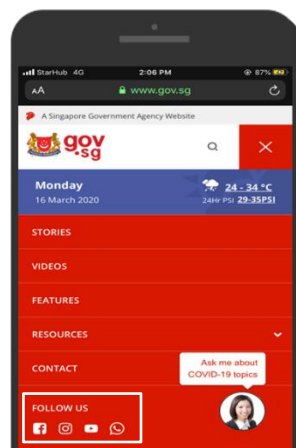

Visit Gov.sg on your mobile phone

Open any internet browser (e.g. Safari, Chrome) on your mobile phone and enter the web address “Gov.sg” to visit the website.

Do ensure you already have the WhatsApp app in your mobile device.

1. Tap on the top right icon (☰).

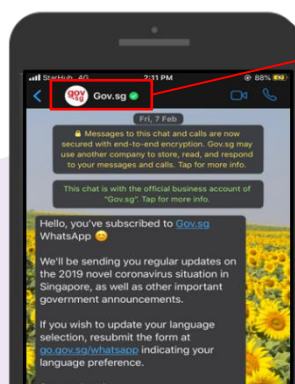

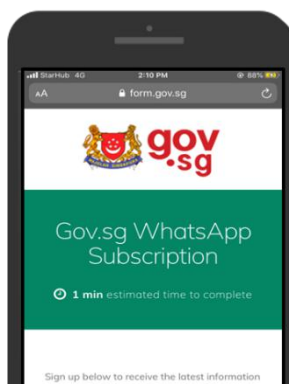

2. Scroll to the bottom and tap on the chat icon (💬).

STEP 2

Receive government news via go.gov.sg/whatsapp

Fill in your details, e.g. name, mobile number and preferred languages in the ‘Gov.sg WhatsApp Subscription Form’.

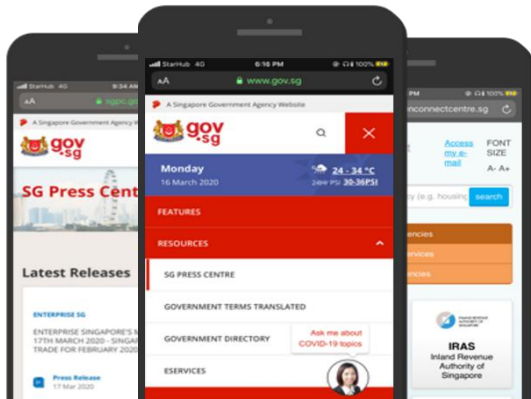

You will receive a push notification upon successful subscription. Get the latest, factually, important updates from the government, e.g. COVID-19, in your WhatsApp chat.

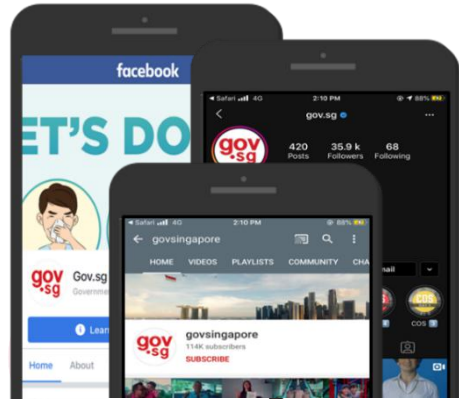

Tip: You can temporarily mute the push notifications by tapping here.

The illustrations above are taken from iPhone interface.

OPTIONAL Access other government services and get updates via social media platforms

Tap on side menu, select 'Resources' to access other government services, news and announcements, e.g. Budget 2020, National Day Rally.

You can also receive government news and updates via Facebook, Instagram and YouTube.

Cyber security tips (Credit: Content provided by the Cyber Security Agency of Singapore)

- Avoid broadcasting unverified 'news' to your family and friends.
- Do not open or download any unverified links from unknown sources.

HELPING YOU MAKE CONNECTIONS THAT MATTER

Because life is more colourful when you're connected

Seniors Go Digital is a programme that is specially designed to help you begin your digital journey, with online resources and fun learning sessions that will let you pick up new skills.
