### Cyber security tips (Credit: Cyber Security Agency of Singapore)

- Log out of your Wi-Fi connection or accounts after use.
  - Clear browser's cache and internet history after each session.
  - Beware of "free" Wi-Fi hotspots masquerading as a legitimate source.
- Once you have set up Wireless@SGx, you should not manually connect to any Wireless@SG network, and instead let the device connect automatically to the legitimate Wireless@SGx network.
