Starter Kit on Using Zoom

DID YOU KNOW?

You can use Zoom to organise or join a virtual meeting or webinar from the comfort of your home!

STEP 1A

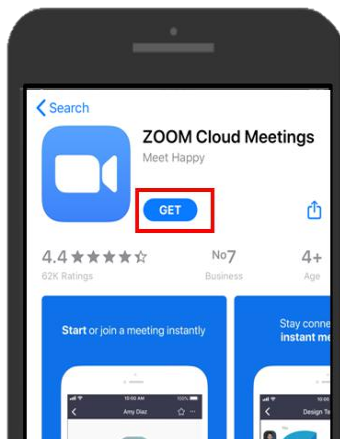

Install the Zoom app on your mobile phone

Go to the **Apple App Store**  or

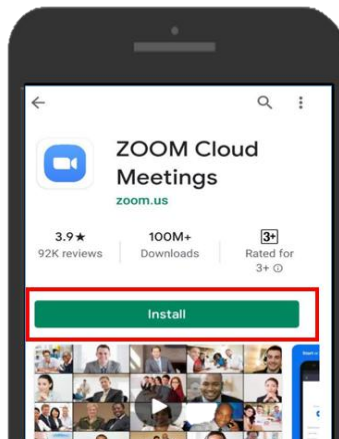

Android Play Store

to download the Zoom app and launch the application.

1. For iOS users, tap on 'Get' to download the app.

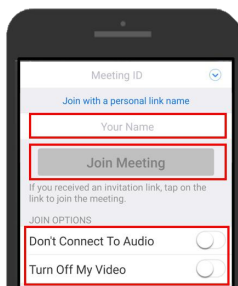

2. For Android users, tap on 'Install' to download the app.

STEP 1B

Join a Zoom virtual meeting or webinar with a mobile phone

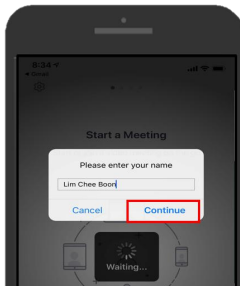

Click on the zoom link sent to you via email or through an instant message.

You may be required to enter a password, which will be sent to you together with the zoom link.

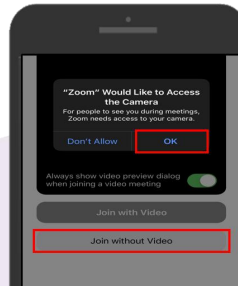

Android user

1. Enter your name and tap '**Join Meeting**'. Select '**Don't Connect To Audio**' and '**Turn Off My Video**'.

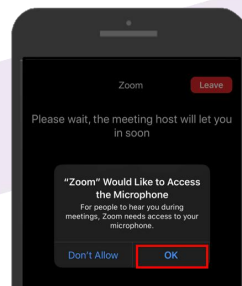

iOS user

2. Enter your name and tap '**Continue**'.

3. Tap '**OK**' to allow Zoom to access your camera. Select '**Join without video**'.

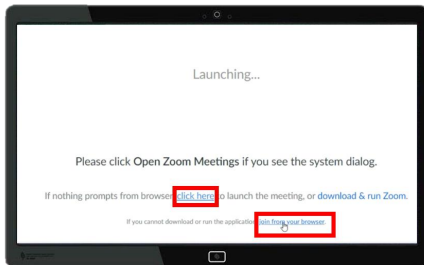

4. Tap '**OK**' to allow Zoom to access your microphone.

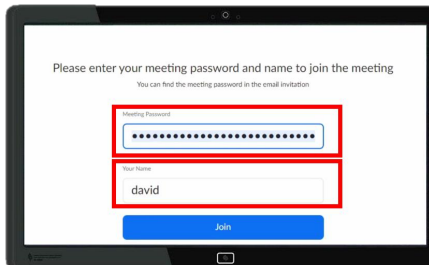

STEP 2 Join a Zoom virtual meeting or webinar with a computer

Click on the zoom link. to join the virtual meeting or webinar.

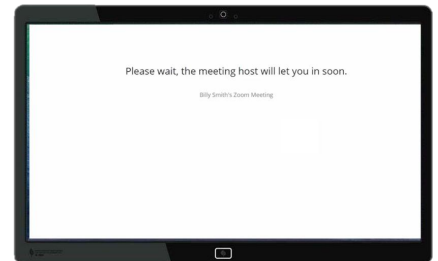

You may be required to enter a password, which will be sent to you together with the zoom link.

1. Click '**Click here**' and select '**Join from your browser**'.

2. Enter the password of the webinar and your name. Tap '**Join**'.

3. You will be held in the waiting room until the host lets you in to the room.

*You do not need to sign up for a Zoom account to join a Zoom virtual meeting or webinar.
You will need a Zoom account if you would like to organise a virtual meeting or webinar.*

Cyber security tips (Credit: Content provided by the Cyber Security Agency of Singapore)

- Do not disclose personal information online.
- Do not share Zoom virtual meeting/webinar links and passwords with someone who is not invited to the session.
- Do not share sensitive files or hold sensitive discussions.
- Do not open or download any unverified links and attachments from unknown sources in the chat function.
